

Secțiune	Precizare	Traducere
1.1	Precizare generală cu privire la subiecții obligației de raportare	Datele de mai jos sunt depuse de subscrișa în calitate de reprezentant al societăților Janssen Biologics B.V., Einsteinweg 101, NL-2333 CB Leiden, Nederland; Merck Sharp & Dohme Ltd., Hertford Road, Hoddesdon, Hertfordshire EN 11 9BU, United Kingdom; MERCK SHARP & DOHME ROMANIA S.R.L., Bucharest Business Park, Șos. București-Ploiești Nr. 1A, Clădirea C1, Etaj 3, Sector 1, București, România; N.V. ORGANON, Kloosterstraat 6, Oss, The Netherlands; Sanofi Pasteur MSD SNC, 162, avenue Jean Jaurès, F 69007 Lyon, France; Teva B.V., Swensweg 5, 2031 GA Haarlem, The Netherlands acestea fiind societățile din grupul de companii Merck identificate ca intrând în categoriile prevăzute de legislația relevantă și ca fiind parte la operațiunile relevante;
1.2	Precizare generală cu privire la potențiale erori	Deși s-au depus eforturi semnificative cu bună-credință pentru pregătirea raportării, nu se pot exclude erori, având în vedere perioada lungă de raportare, faptul că ordinul relevant precum și formularele de declarație au fost adoptate la data de 11 martie 2015 (ulterior perioadei de raportare), necesitatea implicării unor departamente diferite în identificarea și procesarea datelor, necorelarea între sistemele interne de colectare de date și raportare și formularele de declarație, precum și fluctuațiile de personal;
1.3	Precizare cu privire la perioada de raportare	Sponsorizările și cheltuielile suportate privite de raportare sunt cele identificate pentru perioada 11 februarie 2014 (data la care a intrat în vigoare actul normativ primar) – 31 decembrie 2014 inclusiv;
1.4	Precizare cu privire la perioada de raportare	Pentru situațiile în care s-au încheiat contracte în 2014, dar cheltuielile nu au fost suportate în perioada de raportare (de exemplu, contracte încheiate spre sfârșitul anului 2014), nu au fost incluse sponsorizările/cheltuielile suportate într-o altă perioadă de raportare, respectiv 2015; având în vedere faptul că astfel de cheltuieli nu au fost suportate, urmează ca acestea să fie raportate, conform legislației, cu ocazia raportării pentru perioada în care au fost efectiv suportate;
1.5	Precizare cu privire la coloana privind sponsorizările din formularul de declarație	În secțiunea cu privire la sponsorizări, contractele raportate sunt acelea identificate ca fiind contracte de sponsorizare (încheiate în conformitate cu legea nr. 32/1994 privind sponsorizarea) încheiate de către subiecții relevanți ai obligației de raportare;
1.6	Precizare cu privire la suma netă/brută care va fi raportată	Cu privire la informațiile din coloana privind suma, sumele indicate sunt cele identificate ca fiind cifrele nete (costul total putând fi, în unele situații, mai mare, având în vedere, de exemplu, obligațiile fiscale de reținere la sursa ale subscrișei);

1.7	Precizare cu privire la data contractului	Cu privire la data contractului, data raportată este data la care acesta a primit număr de înregistrare la nivelul subscrisei sau, după caz, data documentului fiscal relevant identificat;
1.8	Precizare cu privire la data plății	Cu privire la coloana privind data plății, s-a avut în vedere data identificată de subscrisa ca fiind data depunerii ordinului relevant de plată (desigur, putând exista unele decalaje între această dată și data la care suma a ajuns efectiv la beneficiar);
1.9	Precizare cu privire la moneda în care s-a făcut plata	Sumele au fost raportate în moneda în care au fost efectuate plățile, conform înțelegerii subscrisei a cerințelor legale și pentru o reflectare exactă a sumelor plătite;
2.0	Precizare cu privire la valoarea sponsorizărilor /comodatelor cu echipamente sau a donațiilor de medicamente	Pentru contractele de sponsorizare/comodat cu echipamente sau de donații de medicamente identificate, a fost indicată valoarea identificată în contractul relevant sau, în cazul în care o astfel de valoare nu a fost identificată, valoarea din contabilitate a respectivului bun identificată la momentul încheierii contractului;
2.1	Precizare privind cheltuielile suportate cu mesele	Aceasta reprezintă suma totală identificată ca fiind suportată pentru mese în anul 2014, având în vedere faptul că infrastructura IT a subscrisei nu a fost aliniată, dat fiind faptul că Ordinul nr. 194/2015 a fost publicat la mai mult de un an de la includerea obligației de raportare în Legea privind reforma în domeniul sănătății prin Ordonanța de Urgență a Guvernului nr. 2/2014, și nu a fost posibil să se identifice în mod corespunzător suma aferentă fiecărei astfel de ocazii;
2.2	Precizare cu privire la taxele de înregistrare la congrese/simpozioane	Cu cele câteva ocazii de sponsorizare a organizațiilor din domeniul sănătății, care au fost de altfel declarate în prezentul raport, organizațiile sponsorizate relevante au oferit MSD posibilitatea de a invita, în mod gratuit, un anumit număr de medici la evenimentul organizat de acestea; având în vedere că aceste situații nu au implicat un cost adițional specific, nici o plată către medicii relevanți, nici o sumă cunoscută a costului acestor invitații, aceste situații nu au mai fost raportate ca operațiuni privind profesioniști în domeniul sănătății.
2.3	Precizare cu privire la taxele de înregistrare la congrese/simpozioane	În cazul în care MSD a suportat taxe de participare pentru profesioniști în domeniul sănătății la evenimente organizate de organizații în domeniul sănătății, făcând plata direct organizației, raportarea a fost făcută pe profesionistul în domeniul sănătății pentru a nu exista dublări de sume.

2.4	Precizare cu privire la moneda în care s-a făcut plata	Sume declarate pentru Congresele Internationale sunt în Euro, cu excepția deconturilor aferente acestor congrese care sunt în RON.
2.5.	Precizare cu privire informații indisponibile în sistemele interne (N/A)	Informațiile cu privire la specializarea și adresa medicilor nu au fost identificate în toate cazurile în sistemele interne ale subscrisei.(N/A)
